

# Manufacturing: What we've written lately

We have the appetite, specialized expertise, insurance products, and services to help agents like you write more business and help protect your clients' operations.

Take a look at some accounts we have written with our agents for ideas on your next success with Chubb.

## Manufacturer of Cement Mixing Equipment

<b>Coverage(s)</b>	Auto, Equipment Breakdown, Environmental, Inland Marine, Package, Umbrella
<b>Approx. Premium</b>	\$95,000
<b>Why Chubb?</b>	The insured merged with another company, which presented different and unique exposures. Their current carrier would not consider the new exposures, but Chubb was able to provide an insurance solution that met the needs of the new organization. Our service and risk engineering industry expertise were also a plus.

## Manufacturer of Industrial Slurry Pumps, Hoses, Pipes, and Valves Utilized in Mining Industry

<b>Coverage(s)</b>	Auto, GL Plus (combined General Liability/Pollution form), Umbrella
<b>Approx. Premium</b>	\$580,000
<b>Why Chubb?</b>	Chubb was able to find a competitive solution through our Complex Casualty team as well as offer our General Liability/Pollution combined form. The insured appreciated our ability to respond with specialized coverages and that also led to writing their sister company as well.

## Manufacturer of Printing Machinery Components and Service Provider

<b>Coverage(s)</b>	Auto, Equipment Breakdown, Package, Umbrella, Workers Compensation
<b>Approx. Premium</b>	\$500,000
<b>Why Chubb?</b>	Provided an all lines solution. Consistent communication with insured and producer secured the account.

## Manufacturer of Aftermarket Auto Parts

<b>Coverage(s)</b>	Auto, Equipment Breakdown, Inland Marine/Cargo, Multinational, Package, Umbrella, Workers Compensation
<b>Approx. Premium</b>	\$780,000
<b>Why Chubb?</b>	Chubb's wide breadth of coverage and expertise options were able to respond to the insured's needs in a manner that was superior to that of any other carrier. Our "One Chubb" approach is collaborative between our different business units and enabled us to respond proactively.
