Oil Pollution Act of 1990 (OPA) Coverage – If you purchase Liability coverage, our policy provides coverage in addition to the Liability limit up to the required OPA statutory limits, regardless of the amount of the Liability limit chosen. Marine Environmental Damage Coverage – Protection is automatically provided up to \$10,000, per occurrence, for fines and penalties for marine environmental damage, as defined by the policy terms. This coverage limit is in addition to the insured's applicable Liability and OPA limits.
